## GO by Spark - How to edit a content from the Feed Editor? GO Version: v1.18.0

This guide provides step-by-step instructions on how to edit content from the Feed Editor in GO software. It explains two different methods to make changes to content blurbs, allowing users to easily modify and update the information.

Navigate to your GO Software URL and open the Itinerary Page.

2 Click	on the "Nev	wspaper Icor	n" to open	the feed	editor fo	or the specif	ic da	ay.

**3** Users can edit a content blurb directly from the Feed Editor in two different ways:

## First:

4

Search for the content you'd like to modify from the column bar and simply double-click on the content box.
