## GO by Spark - How to <sup>G</sup> duplicate, delete, and edit existing templates?

A template provides the ability to copy a specific Daily Program that could include Print Program, Venue Hours, and Events in order to strategically assign it to future dates.

The most updated template will populate first and you can search for other templates by Name or Tag.

4 The "Actions" section will include the "Garbage" Icon to delete a template, the "Duplicate" Icon to duplicate a template, and finally, the "Edit" Icon to edit an existing template. Now, click here to edit an existing template.
