

# GO by Spark - How to View the Program in Its Final Version Without Downloading the PDF? GO Version: v1.18.0

This guide is useful for anyone who wants to quickly and easily preview the final version of a program without going through the process of downloading the PDF.

- 1 Navigate to your GO Software URL and open the feed editor for the specific day.

- 2 In the lower left section, click on **"View Options"**.

### 3 Check the box for "Highlight Areas" to see how the Program will look.

The screenshot shows a program editor interface. On the left, a sidebar contains 'View Options' with a list of checkboxes: 'Preview Variables' (checked), 'Highlight Areas' (checked and circled in orange), 'Simulate Margins' (unchecked), and 'Show Archived' (unchecked). Below this is a 'LANGUAGE' dropdown set to 'English'. The main area displays a preview of a program page with sections like 'THE Spa', 'THE Casino', 'THE Entertainment', 'THE Excursions', 'THE Food', and 'THE Shops'. A handwritten note 'Important' is visible on the right side of the preview.

### 4 In the example below, you can view the final program without needing to download the PDF.

The screenshot shows a final program preview interface. At the top, it displays 'DATE: 8/9/2024' and 'LOCATION: Miami'. Below this are tabs for 'Events', 'Venue', and 'Print'. The main area shows a preview of the program page with sections like 'the SpA', 'the Casino', 'the Entertainment', 'the Excursions', 'the Food', and 'the Shops'. A handwritten note 'Important' is visible on the right side of the preview. On the right side, there is a sidebar with a list of 'Events' and 'Venues'. Below this is a 'Content' section with a 'Add New Content' button. The 'TAGS' section shows a list of tags: 'WELCOME - TEST', 'TEST', 'TEST Party Test', and 'HALLOWEEN'. The 'TAG' button is highlighted in green.

To identify where you can add content, simply re-enable the highlighted areas.

The screenshot shows a web design tool interface. On the left is a dark sidebar with a 'View Options' section containing four checkboxes: 'Preview Variables' (checked), 'Highlight Areas' (unchecked and circled in orange), 'Simulate Margins' (unchecked), and 'Show Archived' (unchecked). Below this is a 'LANGUAGE' dropdown menu set to 'English'. The main preview area on the right displays a wireframe of a website. It features a top navigation bar with 'Page 1' and 'Page 2' links. The main content area is divided into four columns. The first column contains text about a comedian and a theater production. The second column contains a header 'THE Food' and text about a cooking school. The third column contains a header 'THE Shops' and text about a fragrance sale. The fourth column is empty. A blue 'Important' label is visible in the bottom right corner of the preview area.
